

8/21/2014 UPDATE:

After a thorough investigation it has been determined that the circumstances described in the attached press release was in fact an assault. The suspect has been identified as McKeever Barrow, a 21 year old South Carolina resident. Barrow has been cited to appear in court for arraignment on Tuesday August 26.

The victim sustained head injuries and was transported to Fletcher Allen Hospital the morning of the assault. The victim is currently still in the hospital in stable condition and is expected to make a full recovery.
